Glass Leadership Institute  
Program Application**

***“The immediate object of the League is to stop, by appeals to reason and conscience, and if necessary, by appeals to law, the defamation of the Jewish People. Its ultimate purpose is to secure justice and fair treatment to all citizens alike and to put an end forever to unjust and unfair discrimination against and ridicule of any sect or body of citizens.”***  
-ADL Founding Mission Statement, 1913

### **About the Anti-Defamation League**

The Anti-Defamation League is a Jewish organization with the mission to protect Jews and work toward equality for and the end of bigotry against all peoples. We are inspired by American values of freedom, equality and democracy. We are also inspired by Jewish values expressed by the sage Rabbi Hillel: *If I am not for myself, who is for me? And if I am not for others, what am I? And if not now, when?*

**THROUGH THE GLASS LEADERSHIP INSTITUTE**, ADL empowers its next generation of leaders. This nationally recognized leadership program provides 25-40 year-olds with the tools to fight hatred and bigotry in their own communities. Conducted by ADL’s nationwide network of Regional Offices, the Institute offers unique opportunities to explore ADL’s global mission from an insider’s perspective.

Leadership Institute participants engage in a year of dynamic, interactive sessions, exposing them to the important work of ADL and the full range of issues on the ADL agenda. Participants also have opportunities to socialize with peers, network with ADL’s senior leadership and attend the Shana Amy Glass National Leadership Conference, in Washington, D.C.
