By becoming involved with the No Place for Hate®, you understand that ADL retains the authority to approve your school's No Place for Hate® application, review your community activities and award the No Place for Hate® designation in its sole discretion. Upon satisfactory completion of the No Place for Hate® Initiative, the school agrees to display the No Place for Hate® designation banner in a public location on school premises for the school year immediately following the school year during which the designation was earned.

It is further agreed that the School and School District acknowledge and agree that Anti-Defamation League, ADL, NO PLACE FOR HATE and A WORLD OF DIFFERENCE Institute are trademarks of ADL. The School and School District agree to create and produce materials related to School and School District's participation in ADL programs with approval from the ADL.
